 **A Sense of Community in our Groups**
We're thankful for the "family" feel to our community groups ("small groups"). We're really doing life together – eating meals together, going to the movies, meeting each other's friends, and meeting once a week for worship and Bible study. Thanks to God for a very rich sense of what it means to be church.

**A few things
we're
thankful for...**

 **Community Groups Every Day of the Week** – As a result, we're thankful that our groups continue to grow and multiply. We now have at least one group meeting every day of the week.

 **Martin and Mati's New Car** – A family from our church community had their car stolen. We're thankful for the giving hearts of our church members, who gave nearly 2000€ to help Martin and Mati buy a new car.

 **Guy Fawkes Day** – We're thankful for the some 80 friends who crammed into our team members' home to celebrate a British holiday, Guy Fawkes Day. God continues to give us friendships with people from so many different walks of life.

 **Spanish Mountainview** – We're thankful for friends of ours here in Madrid who want to help us extend our ministry to Spanish-speakers. A small group of us hope to begin meeting informally in the new year. Thank you, God, for the privilege of supporting and equipping leaders who are interested in reaching Spanish-speakers as well.

 **Free Spanish Classes** – We're thankful for 5 hours of free Spanish classes each week at a local elementary school.

 **Troy in Barcelona** – Our pastor, Troy, continues to have more opportunities to develop leaders in Europe. He spent a weekend in Barcelona giving a conference on how to be an outreach-focused church in Spain. Thanks for his influence. The church asked him to come back again this Spring.

 **Kelly at Conexiona** – Thanks for opportunities to use Kelly's worship-leading gifts elsewhere. He led worship recently at a weekend retreat for another churchplant in Madrid called Conexiona.

 **Thinklings** – April spent a weekend in England with Thinklings, a group from Christian Associates who explore the theological foundations of our organization. Thanks for the opportunity April had to serve this group and to do something she enjoys.

Sincerely,

Kelly and April Crull
